## ***Part Two***

---

Please include the following with your application:

- An *official* transcript from the academic institution you currently attend or have most recently attended. If your current transcript does not show at least two semesters of grades, also include an official transcript from the previous institution you attended.
- *Exactly* two letters of recommendation, at least one of which is from a teacher/professor. Each letter of recommendation should be printed on official letterhead and enclosed in an envelope signed at the seal.

***For exceptional circumstances, please contact [mbta.apply@tellurideassociation.org](mailto:mbta.apply@tellurideassociation.org).***

## ***Part Three***

---

*In evaluating your application, we will consider more than the facts of your accomplishments. The following essays are extremely significant in advising our acceptance decisions. All essays should be submitted single-spaced and in a standard 12 point font, with 1 inch margins on all sides. **Essays 1-3 and 5 (please see instructions) should each be 1-2 pages in length. Essay 4 should be 3-6 pages in length.***

### **Essay 1:**

Please describe your education and career plans, as well as factors that have influenced you in reaching these decisions. As it is applicable, discuss people, activities, or events that have been important in shaping you (e.g. family, academic coursework, travel, organizations, service work, obstacles you have overcome).

### **Essay 2:**

If you could create any community service initiative in the University setting, what would it be? What resources would you need, and how would you go about obtaining them? What are some potential obstacles or pitfalls that your project might face? Without re-listing your previous activities, please draw upon the successes, failures, and limitations of your previous engagements with service as well as **relevant** non-service experiences.

### **Essay 3:**

Discuss the positive *and* negative aspects of communal life in a small self-governing community such as Telluride House.

### **Essay 4:**

Present a specific topic or issue in a field of interest in a way that makes it accessible to those with no experience in or previous knowledge of it. You may address political, philosophical, scientific, social, literary or other questions.

### **Essay 5 (ONLY for those who have previously participated in Telluride summer programs):**

Please evaluate your TASS and/or TASP (feel free to be critical). What did you learn from the experience? How might the challenges of the summer programs relate to and differ from life in a Telluride House?
