Volunteers

Telluride's associates and friends donate thousands of hours of time each year to Telluride's numerous projects. This work includes adjunct service on Telluride committees like Development Committee, Information Technology, Michigan and Cornell Branch committees, the Newsletter, Summer Program recruitment, TASS alumni development, TASP and TASS Committees, Renovations, Custodians, and Branch Recruitment committees. Alumni also volunteered to be TASS recruitment callers and list updaters, TASS alumni mentors, summer program readers and interviewers, and Chapter coordinators. We are also grateful to our volunteer Treasurers and to our alumni supporters' circle for their counsel and support.
